

## *Your choice of location*

I will go to whichever civil venue where you would like to say your final goodbye – the crematorium chapel, natural burial ground, village hall or even your house or garden.

I am available for full Funeral Services/Celebration of Life Services, Natural Burials and the Scattering of Ashes.

I am local to Winchester, Hampshire and mainly work in the Hampshire area. However, I am prepared to travel further afield.

**If I can assist you at all, do contact me.**

*Your loved one.  
Your choice*

Victoria Fisher.  
Civil Funeral Celebrant.

***I am here to help you through one of the most difficult times of your life, that of saying goodbye to your loved one.***

I believe every person should have the funeral service that they deserve, which reflects their personality, what they enjoyed and how they lived their life.

Together we can achieve this for your loved one. I will also ensure that you, your family and all others involved are treated with the utmost dignity and respect at all times.

## *Your personalized farewell*

Initially I will hold a meeting with you and any others you wish to involve to discuss what you would like for the ceremony. This would take place at your home, your funeral directors or similar location.

I will talk about your loved one with you for you to share your thoughts and memories about him or her and the things that made them who they were.

---

*'I have had the privilege to attend two services organised and run by Victoria...and would recommend Victoria to anyone needing help organising a final farewell to a loved one.'*

---

## *A meaningful ceremony*

I will then work with you to design a service that best reflects your loved one. The ceremony can either be semi-religious or non-religious, whichever and however you prefer.

I can help advise you on the content of the service and liaise with your chosen Funeral Director and others involved.

On the day of the service, I will officiate for you or coordinate those who wish to contribute.

After the ceremony, I will present you with two ceremony scripts in a presentation folder.
